

AGENTS OF BRANDING

Brand StartUp

Origin Story

Just starting up?

Don't go on patrol in a homemade costume!

Agents of Branding will build you your own Superhero Brand and equip you with everything you need to go out and make an amazing first impression.

Create

We'll take the core elements of the classic superhero combined with the best of modern and classic brand to design to create a core identity for your business that captures your enthusiasm and excitement for your startup.

- Mission / Unique Selling Position
- Audience ID
- Tagline Logo / Colors

Communicate

Once your Superhero Brand is in place we'll craft key messaging for you to quickly communicate your mission, value, and potential to potential investors, partners, and customers.

- Elevator Pitch
- Pitch Deck
- Social Voice Guide

Convert

We will give you the key setup you need to start converting interest into email signups and customers. Still pre-launch? No problem, we can help you begin to build and leverage a powerful list of potential customers.

- Landing Page
- Social & CRM Setup
- CRM Configuration

You might be small now, but Agents of Branding is ready to help you make a Fantastic First Impression and a Massive Impact!

Discover what a team-up with Agents of Branding can do to set up your startup for super success.
